1. SIGN A PETITION
One signature seems small, but it all adds up.

2. PICK UP THE PHONE
One of the most effective things you can do is call your elected officials.

3. WRITE A LETTER
It’s old school. But it works. Rediscover snail mail.

4. LEARN THE FACTS
Arm yourself with the facts about clean air and climate change.

5. GET SOCIAL
Connect on social media to stay current on the latest clean-air happenings.

6. JOIN THE FORCE
Join Moms Clean Air Force, a community of over one million parents.

7. SHOW UP
There’s nothing like being together IRL. Come join us at an upcoming event.

8. HOST A PARTY
Host a house party or baby shower. We’ll send you resources to share.

9. DONATE
Your gift supports our fight for clean air and a stable future for our kids.
