NM MOMS JOIN MEMBERS OF CONGRESS ON CAPITOL HILL AS PART OF SWEEPING MOVEMENT FOR CLIMATE SOLUTIONS

Moms Clean Air Force to Host "Play-In" Demanding Lawmakers Solve our Climate Crisis

(Washington, D.C.) – On Thursday, July 11th, two moms from New Mexico will join more than **500 members from over 25 states** to gather at the U.S. Capitol for the **sixth** Moms Clean Air Force "Play-In" for Climate Action and live-streamed press conference. This annual event will showcase visionary leaders including members of the Global Climate Strikes who will join moms and Members of Congress on stage to demand action on climate. Speakers of all generations will be calling on political leadership at all levels to advance solutions to protect our families from the climate crisis. This means 100% clean energy across the entire economy by 2050.

Following the Play-In, the New Mexico moms will head to the Capitol to meet with their members of Congress to share their personal stories and urge their representatives to take action on climate to protect their children's health and future. Climate change is bringing hotter temperatures, more wildfires, and increased risk of drought to New Mexico, the third largest oil producing state in the country. As of this year, New Mexico has set a goal of being **fossil-fuel free by 2045**.

Media is invited to schedule interviews with the New Mexico delegation.
